

## ■ SAVINGS WITH VEIT 18 / 26 IN NUMBERS

### ■ 1. With VEIT you save money on fuel consumption, even though your cargo is much safer

Thanks to VEIT's EcoTransport technology you will save 3.50 L/h comparing to the conventional solutions of VEIT's competitors. Which gives you these savings:

Duration and frequency of 1 journey	Savings on fuel per 1 journey	Savings on fuel per 10 years
5 hours journey, 5 times in a week	17.5 liters / €21	<b>€54 600</b>
10 hours journey, 3 times in a week	35 liters / €42	<b>€65 520</b>
20 hours journey, 2 times in a week	70 liters / €84	<b>€87 360</b>

Note: Counted with average fuel prices in Europe €1.20 in January 2015.

### ■ 2. With VEIT you save money on cleaning time, even though the biosecurity is substantially improved

The fact is that you save minimum 30 minutes when cleaning VEIT vehicle comparing to its competitors.

Duration and frequency of 1 journey	Savings on time per 10 years
5 hours journey, 5 times in a week	<b>€32 500</b>
10 hours journey, 3 times in a week	<b>€19 500</b>
20 hours journey, 2 times in a week	<b>€13 000</b>

Note: Counted with European average salary €25 / 1 hour.

### ■ 3. Total savings

Duration and frequency of 1 journey	Total savings with VEIT per 10 years
5 hours journey, 5 times in a week	<b>€87 100</b>
10 hours journey, 3 times in a week	<b>€85 020</b>
20 hours journey, 2 times in a week	<b>€100 360</b>

Note: lightweight design, quality parts and simple solutions bring **further running costs reductions** not included in this simple calculation

### ■ 4. With VEIT you save money also on much more economic service

Easily servicable systems and perfectly trained staff make the servicing comparably inexpensive. But there's even more:

VEIT tariff for work  
VEIT tariff for travel expenses

**€24 / 1 hour**  
**€0.80 / 1 km**

**Please, compare VEIT charges with its competitors. You'll be surprised.**
